You're Beautiful, Powerful and Deserving!

*You Already Know about
the Law of Attraction...*

Here's the Thing:

You *can* have what you want, to the extent that you are being it, believing it and behaving in alignment with it... *however*, even then, when you have it, it might not remotely resemble what you thought you wanted in the first place... and that could be a *good thing*!

The Opportunity Cost of Worry, Fighting and Struggling

“In the realm of our spiritual, mental, and emotional experiences, the important currency that we invest is not money; it’s our time, energy and attention. How we ‘invest’ ourselves in time, energy and attention is the creator of our experience of life, money and ourselves.”

*“I have read literally dozens of books on money. The Money Keys is the first one that taught me **how** to integrate spirit and finances. I have learned that my source of income is The Divine, not just me and my hard work. This has relieved so much self-imposed pressure in life! I have used the exercises in Karen’s book to help me make profound financial decisions in my business... and because I made those decisions from a place of wholeness, I feel much more **confident and peaceful** about my ability to increase my bottom line.”*

Key Question to Escape Superstition: **What Game am I Playing?**

- To what extent are you controlled by superstition... or are you choosing to create and involve others in a game worth playing?
- Practical Tools:
 - Inquiry, Healing & Forgiveness, Co-Creation
 - *Money Keys* chapter 5, Audio Volume: *Strengthen Your Beliefs*

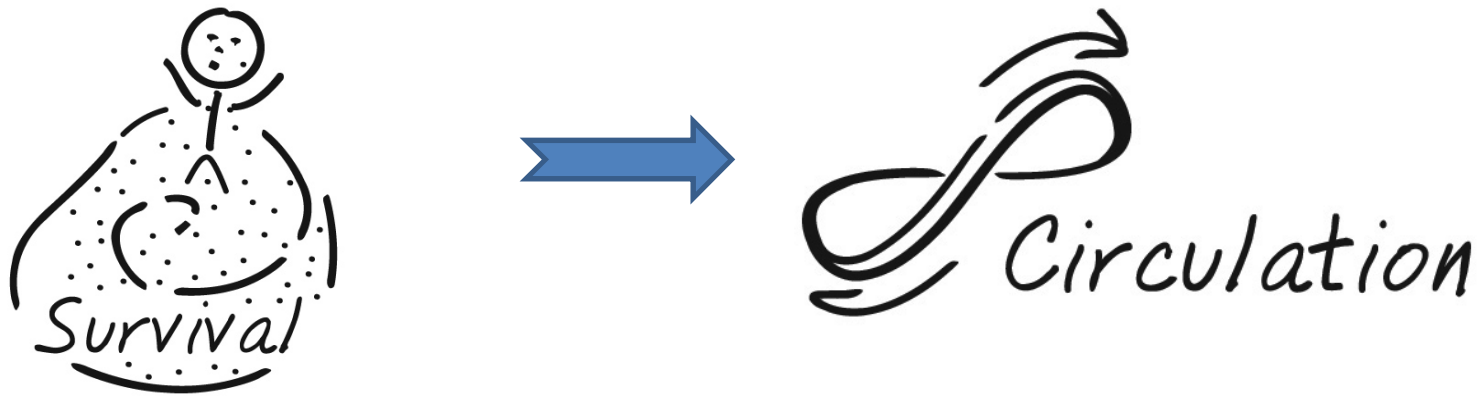

I live from a Rich Mentality!

**M. Alexa Horne,
Real Estate Educator
and Adventurer,
Greenville, SC**

*“I've always had big dreams but I felt **frustrated** by the daily 'realities' of **working in a cubicle**. I was **ashamed and angry** with myself. Using the Money Keys audio messages on Strengthening Beliefs helped me to compassionately re-program myself from the inside out. It's taken a lot of commitment and energy, **building new mental muscles**, but it's been well worth the effort! I'm now trained to collect the evidence that the **Universe supports me** in every way. I choose to see myself as free, creative, powerful and prosperous. I live from a rich mentality. The doors of opportunity are opening wide and I'm stepping through!”*

Key Question to Escape Survival Mode: How am I Growing?

- To what extent are you struggling in survival mode... or are you thriving by consciously taking actions in pursuit of your goals?
- Practical Tools:
 - Blessing, Serving, Spiritual Giving, Managing the Money Flow, A Wealth Expansion Plan
 - *Money Keys* chapter 6, Audio Volume: *Develop Your Habits*

I'm Thriving, not Struggling!

**Bronwyn Marmo, Weight Loss Success Coach & Award-Winning Author, *The Food is a Lie: the Truth is Within*, Scottsdale AZ
www.bronwynmarmo.com**

*"I was **paralyzed** by stumbling blocks in reaching the big vision of my coaching, speaking and writing work. I wasn't clear on how manage money with joy. I felt that I had to 'pay my dues' and wait for success. With the Money Keys, I focused on **new habits**, such as using a % system in the business, listening to the Money Keys music before making my marketing calls, and using Spiritual Due Diligence in adding to my team. There was an **immediate shift** in my energy and my self talk. The sense of feeling 'stupid' is gone! The **cash is pouring in** from many sources, I'm attracting the best clients ever, and generating the revenue for a breakthrough in profits this year. My dues have been paid and I'm **never going back!**"*
